## 19<sup>TH</sup> SUNDAY IN ORDINARY TIME

"Be sure of this: if the master of the house had known the hour when the thief was coming, he would not have let his house be broken into. You also must be prepared, for at an hour you do not expect, the Son of Man will come."

Dear Friends in Christ,

This week many of our young people return to school. And in another week we start up Faith Formation once more. Please pass the word to those you know who need to register their children for Faith Formation. As I have mentioned to some families before, we realize that at times our schedules are complicated but we try to work with each of our families so that our children do not miss out on their faith life. Please reach out to Ellen, our Coordinator for Faith Formation, with any questions or concerns you may have. We will make our big push for registrations this coming Sunday, August 14 with our Parish BBQ so we can hopefully wrangle together all those who have children for this new year of formation.

Our SKD Learning Academy is close to its start as well! That is one of the many exciting adventures for us as a parish for this new year. If you want more information about it or want to help in one of the many ways we can use assistance, please reach out to Dan Olenchuk. His contact information is in the bulletin.

Another one of those adventures is the ongoing design work for the parish center. As many of you know, we have been at work for a long time in getting a

new design for the front area of the parish center that better communicates its sacred purpose to us and to the community, as well as makes better use of the space we have been given. Thankfully, last week the designs we have been working on were given the approval to go to the Bishop so that hopefully with his approval, I can soon share some of these designs with you and we can begin to look forward to what it might take to bring them to life.

The last update I want to share with you is our Virtual Parish Directory. We will start taking pictures for this starting next weekend a half hour before and after Masses. While you can certainly decline, I do hope you will consider joining the virtual directory. Each person will then have access to go on to it and if we get enough families we will also print a physical copy of it. This is a great way to increase our sense of community and hopefully build more connections between each other.

Lastly, thanks for all your prayers while I was away on retreat. It was a retreat unlike any other I have had before and I am much enriched on my return. I am always amazed by what the Lord wants to do and at times quite hesitant. Thankfully, prayers like yours ensures that my heart stays open. As I said to

some of you, I always find it dangerous for others upon my return as I sense there is more that the Lord is asking of all of us! If you are more interested in the theme of the retreat I attended, look up [heartofthefather.com](http://heartofthefather.com). As I believe I mentioned, we will have a book on this ministry available in the bookstore soon. And you will be hearing more about it in the months ahead.

On a final note, I was quite impressed with all of my encounters in the Midwest, between Kansas and Texas. People were so kind and quick to engage and talk. There is a whole lot less rush there than most of California and perhaps a spirit we need more of in our own lives and community.

May God set you free!

## OUTREACH

### Know The Truth About Prop. 1

Prop. 1 is an attempt by lawmakers to enshrine abortion right into the state constitution. Though they want to make it seem like this is codifying current abortion rights into the state constitution, the reality is that it is a worst-case scenario for abortion in California.

The language in Prop 1 (formerly SCA 10) is extremely vague and goes far be-

yond Roe, with no restriction on late-term abortions, which could be performed for any reason, at any time, even moments before birth.

Prop. 1 is also handing lawmakers a blank check to pay for abortion in the state. There is currently no oversight for abortion funding in California, and even sister organizations to Planned

Parenthood have been quoted as saying they will seek additional funding from the legislature if needed.

Don't let this misleading and dangerous amendment become part of the state constitution. For more information go to [cacatholic.org](http://cacatholic.org).

### SKD Learning Academy Begins Wednesday, August 17

**THANK YOU** to all our parishioners for the amazing response to our "Bee Hive" donation requests.

The SKD Learning

Academy is really coming together. An Open House to share with you is being planned.

The SKD Learning Academy is a Catholic Homeschool Assistance program. The campus is located in Sutter Creek at Immaculate Conception Hall, and the first day of class is fast approaching on Monday, August 22.

The donation board in the entrance area of the Parish Center still hosts a few remaining "Bees" if you would like to

take a look and make a donation. The deadline to accept new students is only a couple of weeks away. Please continue to share news about this special program with your family and friends.

For more information, contact Dan Olenchuk at 209-223-2970 or [dec@amadorcatholic.com](mailto:dec@amadorcatholic.com).

your priorities and live entirely for Jesus. You'll learn the basics of forming a daily prayer routine and be challenged to take your prayer life to a new level as you explore the most fundamental questions in life: Who am I? Why am I here? What is the purpose of my life?

What happens to me after I die?

Copies are available in the SKD Gift Shop or at [www.avemariapress.com](http://www.avemariapress.com).

**Registration for 2022-2023, K-8 Faith Formation**

If you haven't yet registered your children for this school year's Faith Formation Classes, there is still time. **Classes for the new school year begin Wednesday, August 17, and run from 6:00-7:30 PM.** The cost per student is \$40 in a non-sacrament year and \$60 per student in a sacrament year, with a \$100 cap per family. All new and returning families are invited to sign up before classes start so we can have the

necessary supplies for each grade. There are registration forms at the Welcome Table in the SKD social hall or online at our parish website. Each grade level, Kindergarten through 8<sup>th</sup> grade, focuses on a different aspect of the Catholic faith and helps your child come to a more complete understanding of what it means to be a Catholic Christian. Education at [cre@amadorcatholic.com](mailto:cre@amadorcatholic.com) or call 209-223-2970.

## WEEKLY INSPIRATION

**Trust God Always** — Sometimes when the Lord comes to us in the darkness we encounter, we are immediately frightened by Him. It's not so much that we are frightened by God Himself; rather, we can easily become frightened by God's will and what He asks of us. God's will always calls us to selfless giving and sacrificial love. At times, this can be hard to accept. But when we remain in faith, our Lord will gently say to us, "Take courage, it is I; do not be afraid." His will is nothing we should be afraid of. We should seek to embrace it with full confidence and trust. This may be challenging at first, but with faith and trust in Him, His will leads us to a life of the utmost fulfillment.

Reflect, today, upon whatever our Lord may be calling you to do right now in your life. If at first it seems overwhelming, keep your eyes fixed on Him and know that He will never ask of you anything that is too difficult to accomplish. His grace is always sufficient and His will is always worthy of full acceptance and trust.
